1. Policy Statement

Alpha Plus commits to conduct its business activities with a strong dedication to environmental management. We recognize the importance of protecting the environment and aim to minimize our environmental footprint across our operations.

This Environmental Policy reflects our commitment to environmental protection, pollution prevention, climate responsibility and continuous improvement in alignment with applicable legal requirements, international standards and stakeholder expectations.

2. Legal Compliance

Alpha Plus commits to comply with all applicable environmental laws, regulations and permit conditions in the jurisdictions where it operates. Environmental compliance is continuously monitored and business practices are regularly reviewed.

3. Environmental Management System (EMS)

Alpha Plus maintains and continually improves an Environmental Management System (EMS) aligned with ISO 14001. Key elements include:

- Identification of environmental aspects and impacts
- Environmental objectives and targets
- Risk assessment and mitigation
- Employee training and awareness
- Resource efficiency
- Waste management and pollution prevention
- Emergency preparedness and response
- Continuous improvement

4. Climate Responsibility

Alpha Plus acknowledges the importance of combating climate change and, where feasible, aims to increase energy efficiency and reduce its carbon footprint.

5. Sustainable Supply Chain

Suppliers are encouraged to comply with environmental laws and adopt responsible practices.

6. Stakeholder Engagement

Alpha Plus communicates transparently with stakeholders and, where appropriate, shares its environmental performance.
